

HELP FILE

NATIONAL CONFERENCE OF PHYSICIANS

SUSAN GORDON
VETERINARIAN

Thank you for purchasing **"Smooth Minimal Lower Thirds"** through Envato.
This project file can be used in Final Cut Pro X as well as in Apple Motion.
No Plugins required.

Links to the materials used in the project:

I've used the font - "Montserrat"

You can find a free version here:

<https://www.fontsquirrel.com/fonts/montserrat>

Soundtrack you can find here:

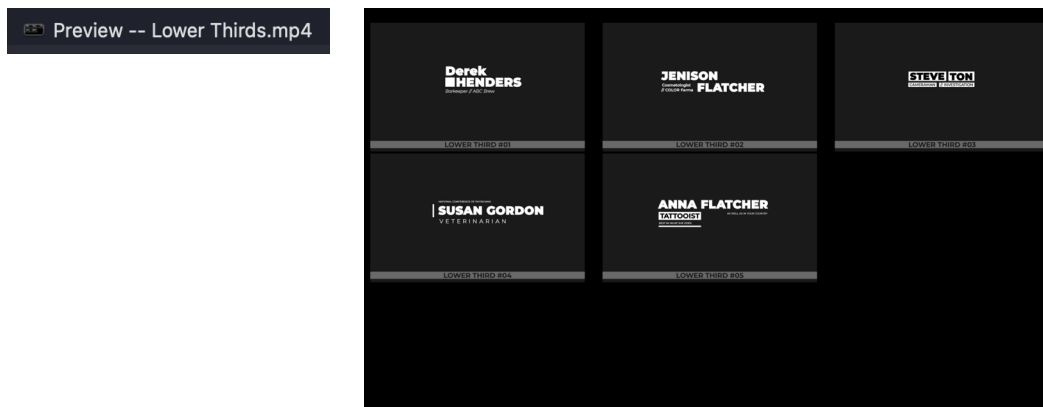

<https://audiojungle.net/item/abstract-pack/45268738>

■ Project files

The project has the next files:

01. Help – help text file.

02. Preview Panel – **video clips**. These clips help you to quickly browse through all the lower thirds and choose the one you like.

03. Working Files – the folder with main working files.

■ How to install the project files

1.1 Place folder “Smooth Minimal Lower Thirds” to the working Final Cut folder with path:

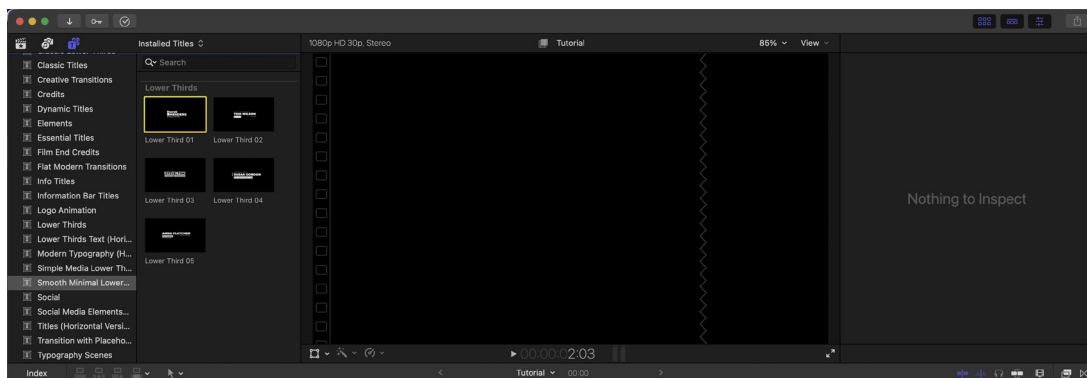

Mac: username/Movies/Motion Templates/Titles

1.2 Or place folder “Smooth Minimal Lower Thirds” to the system folder with path:

/Applications/Final Cut Pro (right-click on the file and select “Show Package Contents”)/PlugIns/MediaProviders/MotionEffect.fxp/Contents/Resources/PETemplates/Titles

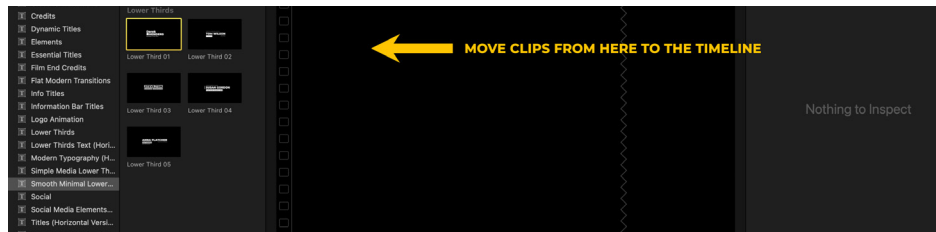

Final Cut Pro > Contents > Plugins > MediaProviders > MotionEffect.fxp > Contents > Resources > PETemplates > Titles

2. Go to Final Cut Pro and open “Titles” sidebar. The folder “Smooth Minimal Lower Thirds” must be in this bar. Use motion graphics with the required format from this folder.

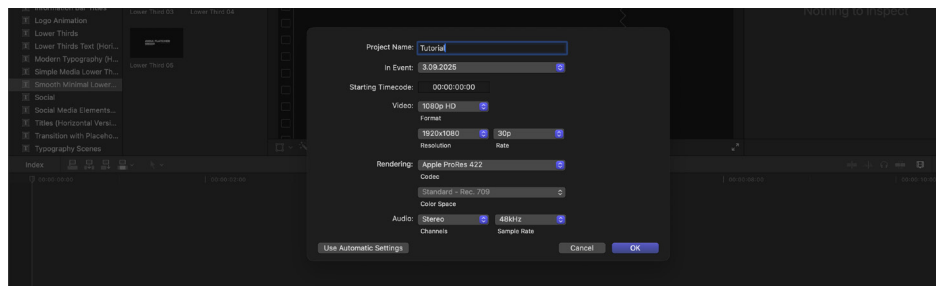

■ How to customize lower thirds

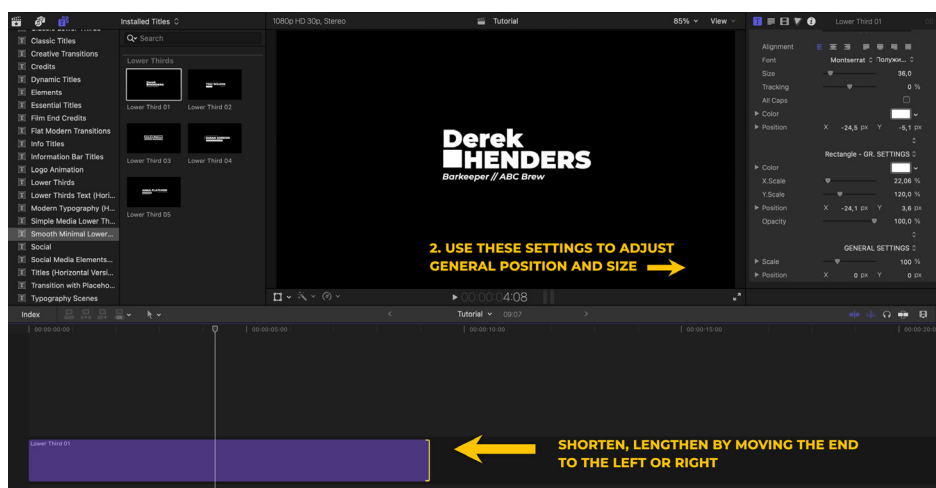

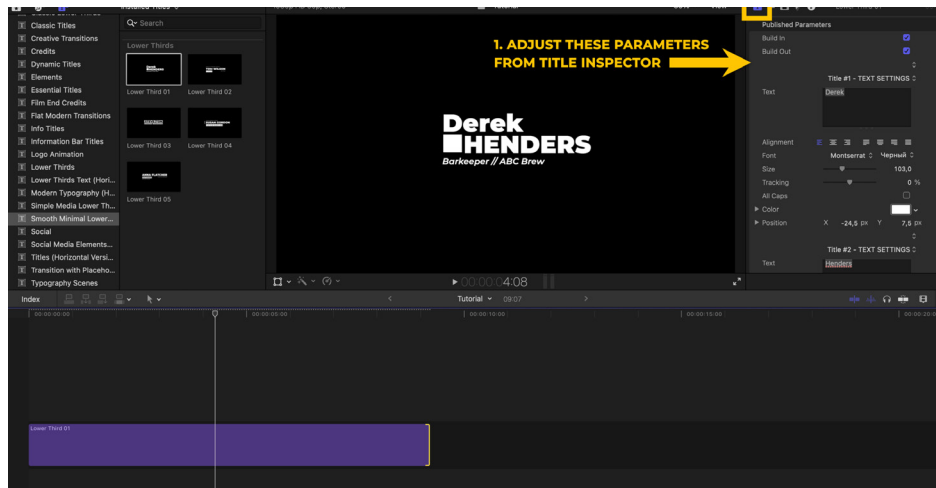

1. Select an episode with required format from the sidebar. 2. Drag and drop it to the timeline.

2. By default, graphics created 30fps, therefore, this setting is recommended.

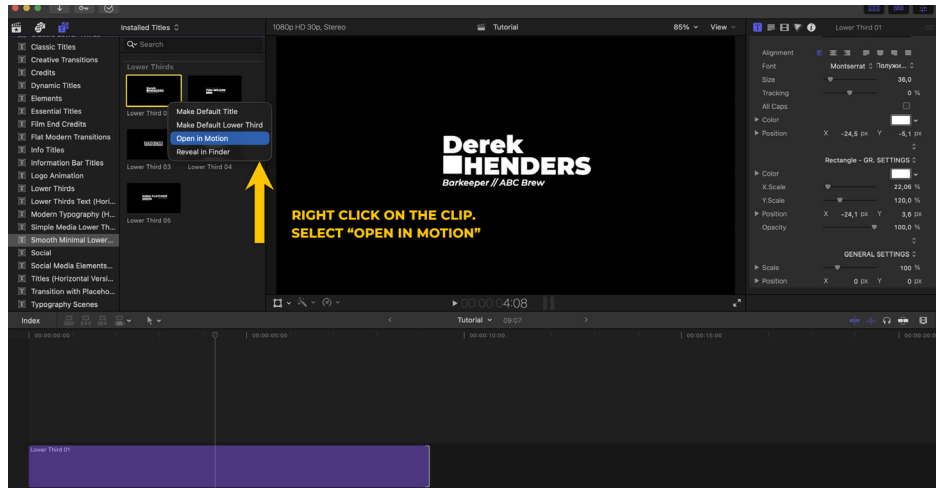

3. Click on the clip. Go to the "Title Inspector" menu to change the settings.

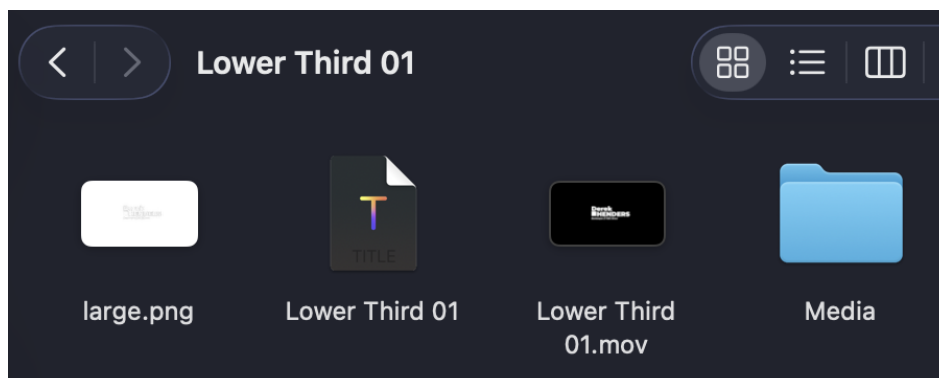

USING IN APPLE MOTION

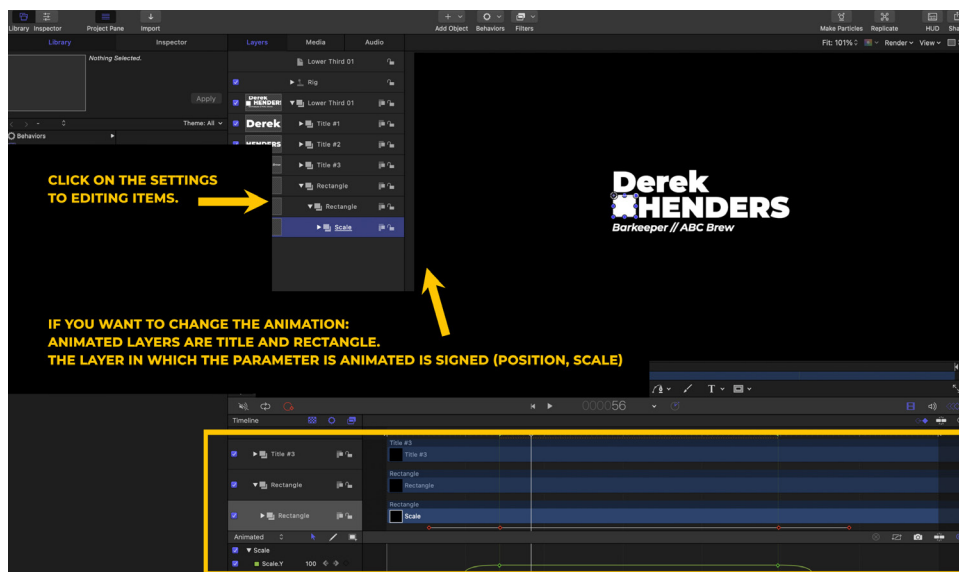

1. You can use this clips in the Apple Motion. For example, for changing some parameters.

or open the working file in Motion at once.

2. Next, freely edit the project.

Thats all!

**If you have any questions or need help customizing the project -
write me an email via my profile page or directly *imocean.motion@gmail.com***

I hope you enjoy! I wish you good luck and all good!

.....

Best regards, Imocean.
