Instruction Steps

First download font and install.

Here are a few instructions that will help:

- Folder "02. Edit Comps" You can edit text and media for your project.
- Open "Scenes > Scene ###" folder and "Media ###" composition. Import your media and drag into the timeline.
- Open "Scenes > Scene ###" folder and "Scene ###" composition. Double click text and type your text
- You can edit the color and other settings on the "Control" panel (the "04 Render > Render Comp").
- Select "Control". Select Controls layer and press f3
- AUDIO: In After Effects click on the menu option: File > Import > File (search the audio file, click on it, then click Open). Open the "Render" folder. Open the composition Render Comp. Drag and drop your audio in this composition.
- RENDER VIDEO: Open "Render Comp" composition. click on the menu option Composition > Add to render queue
- Please rate this template: <https://videohive.net/downloads>
