

How to install

The easiest way to install is using aescrpts manager app:

<https://aescrpts.com/learn/aescrpts-aeplugins-manager-app/>

To install the plugin without using the manager app, place the plugin file (.aex for Windows, .plugin for macOS) in the following folder:

WIN

C:\Program Files\Adobe\Adobe After Effects <version>\Support Files\Plug-ins

MAC

/Applications/Adobe After Effects <version>/Plug-ins

After restarting After Effects, the plugin will be available in the Effects panel.
