

Thank You For **Purchasing!!!**

👋 **Hello** there,

Thank you for purchasing this template!

Inside the ZIP file, you'll find the After Effects project. Customizing it is super simple:

1. Edit Text:

- Navigate to "To Edit" > scene folder > "EDIT" folder* > "EDIT TEXT HERE!!!", and update the text as needed

2. Import Your Photo/Video:

- Open the scene folder > "EDIT" folder* > "PLACEHOLDER!!!".
- Drag your image or video into the composition and scale it to fit.

3. Adjust Colors:

- Go to the "Master Edit" folder, locate the layer labeled "COLOR CHANGE HERE!!!", and tweak the colors to your preference.

4. Render the Final Output:

- Render the "All Stories" composition in the master edit folder to get your final result.
